The Ottawa Shopper is the original social media platform. It's more than 60 years old!

Published twice a month, the Ottawa Shopper is the easiest way to direct-mail advertise your business, or share announcements, greetings, events, and other information with everyone. Over 3,000 copies are mailed to homes and businesses throughout Ontonagon, Gogebic, and Houghton counties. The Ottawa Shopper is a far better way to ensure everyone gets your message...because nearly 40% of local population does not use Facebook or other online platforms.

## 4 SIGNS YOUR SEPTIC TANK IS FULL

- BAD ODORS:** As your septic tank gets full, your drains, toilets, and drain field area may emit an odor.
- SLOW DRAINS:** Your drains, tubs, showers, and toilets may suddenly drain slower than usual.
- STANDING WATER:** Water may start to pool in different places on your property, around your drain field, and around the septic tank itself.
- EXCESS NITRATE IN YOUR WATER:** If your home relies on well water, wastewater could leach into your drinking water and create above-normal nitrate levels.
