**GET OUT AND VOTE ON NOVEMBER 8!**

Hello, I am Victoria (Tory) Hahka and I am running for Ewen-Trout Creek (E-TC) School District School Board of Education this fall of 2022. I have lived in Bruce Crossing for a little over 10 years with my husband. Together, we chose to start our family and spend our lives in this community. E-TC is our family's school of choice. My two children currently attend E-TC elementary and my youngest child will join Kindergarten next year. During the summers, my husband and I volunteer our time supporting our Ontonagon County Little League. This past January 2022, I was appointed to the E-TC School Board to fill a vacancy and currently serve as E-TC School Board Secretary. Now is the time to pay attention to our many new challenges. But through these times, even a pandemic, we have proven our students and community are Panther Strong! I promote the wellbeing of students, staff and safe sound education for not only my children, but the children of our community. I teach my children to listen, learn, critically think and to be kind. I aim to bring that to E-TC. My focus in a new term will be to continue listening, learning, and using my experiences to lead as a community member and parent that will unite and support our students, dedicated staff, and the residents of Ontonagon County. Thank you for your support and vote for Victoria Hahka, E-TC School Board on November 8, 2022.

E-TC SCHOOL BOARD  
on NOVEMBER 8

**UNDERSTANDING THE E-TC SCHOOL DISTRICT MILLAGE PROPOSAL BALLOT LANGUAGE**

EWEN - Please read carefully for clarification on the E-TC School District operating millage proposal included on the upcoming November 8 ballot.

One of the proposals on the November 8 election ballot will impact the operations of the Ewen-Trout Creek School District. The proposal will ask voters to maintain the 18 mills that was approved by voters in 2016 and faces a roll back due to the Headlee Amendment. The roll back occurs when properties are sold and the assessed value of the district goes up. If approved, the vote allows the district to continue to collect the full 18 mills assessed on non-homestead property that they previously authorized. Superintendent Dave Radovich stressed that the 18 mills is at no cost to residents' homestead properties. He said a concern is the language, by law on the ballot, can confuse voters. The language includes the words "increase of 1.5 mills on non-homestead properties for 4 years." Radovich stressed the proposal actually restores millage from a decreased millage rate when a roll back occurs. He continued that if passed, the district will levy that portion of the 1.5 mills requested when a Headlee rollback occurs.

Officials also noted that to get full per student operational dollars of approximately \$9,150 the State authorizes under Proposal A, the vote is necessary.

"If this election is not successful, the district may lose funding due to a Headlee rollback in future years," Radovich said. He added that Ewen-Trout Creek voters have always been supportive of the school district and he has confidence in that continued support. For questions, please contact Mr. Radovich at 906-813-0620, ext. 224 or via email at dradovich@etc.k12.mi.us.

ELECTIONS CAN BE SPOOKY -- JUST LIKE BOO CROSSING! See you on **OCT 29TH**

**VOTE State Ballot Proposal #2 Important Election Information**

The November 8, 2022, General Election includes three Ballot Proposals. McMillan Township leaders want you to know more about Ballot Proposal 22-2 "to amend the state constitution to add provisions regarding elections."

From the Ballot:

- Require nine days of early in-person voting

Explanation:  
The reality of this provision is that the Township (each jurisdiction) will be **\*required\*** to provide a full ballot processing venue for nine (9) consecutive days prior to election day - the two weekends and the five days in between. This means hiring a minimum of three (3) workers for eight (8) hours for nine (9) days at an hourly wage of \$12/hour. Meals will also have to be supplied, the building will have to be heated, and so on. Do the math - that's a minimum of \$2,592 in wages, plus meals, plus utility costs - and this is in addition to the cost of running the election on election day. And this would be **required for every election.**

These costs will be covered by the Townships, not by the State. McMillan Township leaders do not think this is a wise use of township funds or the time of our township clerk and election workers.
