The U.P. Wildlife Rehabilitation - Keweenaw Group posted the following on Facebook on June 6, 2023

A tale of two eagles...

Yesterday we were called by the Michigan DNR who had picked up an eagle near Escanaba. It was thought have been hit by a car. It had a large, fresh wound on the side of its chest/shoulder area but no broken bones. Copper Country Veterinary Clinic was fantastic in getting this eagle stabilized, treated and testing done. This eagle had a lead level of 16 µg/dL.**

While at the vet, another eagle arrived. This one from a nest in Baraga County. Bird banders from a Bald Eagle monitoring and banding project were banding eaglets in a nest and came across one with a broken leg. They received permission to remove the eagle from the nest and transported it to us at the vet clinic. Once again, staff at the Copper Country Veterinary Clinic stepped right up with radiographs, treatments and testing. Blood was tested for lead and the machine just read "low"! That's a first!

**The University of Minnesota Raptor Center considers adult bald eagles with blood-lead concentrations between 20 and 60 µg/dL as having subclinical exposure (contamination without signs or symptoms) and concentrations between 61 and 120 µg/dL as having clinical poisoning.

About the U.P. Wildlife Rehabilitation - Keweenaw Group

This is a non-profit group of home-based volunteers dedicated to helping orphaned, injured and displaced wildlife in our area. For questions or concerns related to injured or orphaned animals in Houghton, Baraga, Keweenaw and Ontonagon Counties contact the following volunteers:

According to an American Academy of Ophthalmology survey, green eyes are the rarest eye color. Only 9% of Americans have green eyes, compared with 45% who have brown eyes and 27% who have blue eyes. The rarest hair and eye color combination? That'd be red hair with blue eyes with just 0.17% of the population having that combination of hair and eye color. So if that describes you, you're most likely one in a million (or more!).

Placing Vacation Bible School ads in the *Ottawa Shopper*...brings back wonderful childhood memories of several summers of Vacation Bible School at Trinity Lutheran Church in Trout Creek over 40 years ago. Eating churchy snacks, learning that grape Koolaid cannot be made in a metal pitcher, learning Bible verses, playing games, doing crafts, and learning to pray. All in the company of my friends and out-of-town kids visiting their U.P. families for the summer. Any adult with such memories hopefully considers themselves fortunate. - RM

OBITUARIES

Jane Josephine Godin passed away on June 5 in her home in Kenton, Mich. at the age of 77, following a valiant battle with cancer. Jane was born on Nov. 30, 1945 to the late John and Hazel De Moulen. After her mother passed when Jane was just a girl, she was raised by Junior and Betty LaCount and family.

Jane married the love of her life, Arthur 'Butch' Godin on Sept. 11, 1971. He and Jane made their home in DePere, Wisconsin where she worked at Tufco for 24 years, Green Bay Packaging for 13 years and Straubel Paper Co. for eight years.

After retiring, Jane and Butch moved to Kenton in 2013 where they had built their dream home on Golden Glow Road. Butch preceded Jane in death in 2017. In the wake of Butch's passing, Jane gained a new companion in her beloved Schnauzer Max, with whom she enjoyed long car rides to visit friends and family, fishing trips, berry-picking and long walks around the Golden Glow community.

Jane adored Max. She was also an avid hunter and loved to fish year-round. She enjoyed feeding the birds and deer and had a particular affinity for hummingbirds. She was an avid gardener — her roses, lilies and canned produce were famous among friends and family. Jane was loving and kind, and she was happiest when surrounded by family and friends.

Jane is survived by her brother-in-law and sister-in-law, Bill and Pat Jose; Ted and Donna Rutherford; nephew Randy Jose and his wife April Jose, who were like children to Jane and Butch; her foster family, the LaCounts; many nieces and nephews; and countless friends, including her 'Golden Glow Family' — who will all miss her dearly.

A special thanks goes to all those who helped as Jane fought the cancer to be able to continue living the life she loved, including with Max's care and countless trips to Marquette for treatment: Sandi Budd, Marcy Grow-Dorman, Renee Gates, Heather Green, Jeanne Harris, Rhonda Hemming, Karla Imhoff, Lisa and Don Rhodes, Mike Silk, Mike and Darlene Steffes, and Sharon and Rick Wininger. The funeral service will be held in Crivitz, Wisconsin and a memorial will be scheduled to celebrate Jane's life in Kenton, Michigan as well.
