AS HEARD FROM A LITTLE BIRD

ONTONAGON: Taylor Thomas, Ontonagon High School's head football coach and teacher has accepted a new position as head coach for the Westwood High School football team in Ishpeming. As a 2014 graduate of Negaunee High School, Thomas says he feels like he is "returning to his home town area" with this new move. The Westwood Patriots varsity football team ended their 2023 season with 1 win and 7 losses. Coach Thomas (aka. "TT") is hoping to making an immediate impact on the Westwood football program in 2024. Best of luck to Coach Thomas and Nicole!

WAKEFIELD-MARENISCO: Wakefield-Marenisco 4th grade students had a great field trip on private trails owned by local resident, Tim Makela. The excursion was lead by wildlife ecologist, Tom Oliver. Mr. Oliver is the Director of Michigan Tech's Center for Science and Environmental Outreach. Students (pictured below) learned interesting things through hands-on activities, such as what material insulates the best and what yellow birch tastes like.

WESTERN U.P.: 2024 Dates for Feeding America Mobile Food Pantries in Ontonagon are: Mar 6, Apr 3, May 1, June 5, Aug 7, Sept 4, Oct 2. Each pantry will be at the Onto. KENTON: The annual predator hunt was held last weekend and the results are as follows: 148 hunters harvested a total of 59 predators: 35 coyotes, 8 bobcats, and 16 foxes. The first place team was "Predator Control" (Shane Stites, Emerson Manos, Joe Preiss and Damian Coffey).

EWEN: Kindergarten registration for the 2024-25 school year at Ewen-Trout Creek School will be March 10, 2024, from 2pm-4pm. Students must 5 year years old on or before September 1, 2024. AN IMPORTANT Program at Ontonagon Theatre to Highlight Online Safety

Between 2021 and 2023, the number of online enticement reports increased by 323% according to the National Center for Missing & Exploited Children. These numbers include "sextortion", a form of child sexual exploitation where children are threatened or blackmailed, most often with the possibility of sharing with the public a nude or sexual image of them, by a person who demands additional sexual content, sexual activity or money from the child. This crime may happen when a child has shared an image with someone they thought they knew or trusted, but in many cases they are targeted by an individual they met online who obtained a sexual image from the child through deceit, coercion, or some other method.

Unfortunately, this is happening all over the world including in the Western Upper Peninsula.

To help protect our children, the Ontonagon County Child Protection Council is having a program about smart online safety for ADULTS where the Michigan State Police Computer Crimes Unit will discuss topics such as high-risk social media apps, cyber bullying, legality of cyber bullying and much more. The program is for ADULTS only and is being held on Sunday, March 10, 2024 at 6 p.m. EST at the Ontonagon Theatre of Performing Arts.

Members of the Computer Crimes Unit are affiliated with the National Center for Missing and Exploited Children and are members of the Internet Crimes Against Children Task Force. The Ontonagon County Child Protection Council is funded with a grant through Children Trust Michigan. If you have any questions, please contact Paula Domitrovich at 906-884-4539.

Does your child use...

- Cell Phones
- Chromebooks
- Gaming consoles
- Tablets
- Computers
- Other devices

Are you really equipped to combat the dangers your kids face online?

Members of the Michigan State Police Computer Crimes Unit will be holding an open discussion presentation to inform parents about smart online safety. Topics will include...

- High Risk Social Media Apps
- Cyber Bullying
- Legality of Cyber Bullying
- And more!

****THIS PRESENTATION IS INTENDED FOR ADULTS ONLY****

THANK YOU

I want to extend my sincere gratitude to all the people in town that reached out to help when Ceil's cancer worsened. All your thoughts and prayers were appreciated more than you will ever know. A very special thank you to my son, John and daughter-in-law, Jennifer - they couldn't have helped more. Phil and Carol Maki, who helped with everything and constantly checked in to see what else they could do. All the goodies from Jim and Tina Ojala, and Jim and Dianne Maki, and my sister Laurel - they kept our saddlebags loaded for the duration.

Also, a very special thank you to Melissa Miles, our hospice nurse. You are a saint among saints. You were always there no matter what time day or night. With Melissa, it is more than a job. She truly cares. As well as the rest of the hospice staff. You are all great people. To the Lions Club for the medical equipment, thank you.

Ceil loved this town and everybody in it. She loved her job at Big Valley and took great pride in her work. She couldn't say *no* when they called her out of retirement three times. She was the hardest worker I have ever known. She usually caught the biggest fish, too. There will be a celebration of life down the road and everyone is welcome.

~ Mike Livingston

Thank You, Thank You, Thank You from the bottom of my heart for all the expressions of kindness shown to me during this distressing time in my life. I never ever expected to receive such an outpouring of love from so many family and friends. What a great area we are fortunate to live in! I'm so sorry I missed the benefit at Twilly's, but I decided to stay away (trying to avoid catching a bug that could slow down my healing process). I'm slowly getting the hang of handling this new way of life! Again, **Thank You** all for all your kindness and concern.

Love and Hugs to everyone! ~ DoeDoe Peltola
